

Summer Employment - 2023

Are you an energetic and driven student looking for rewarding summer employment? At Technica you will have an opportunity to apply your academic experience in a real world, practical environment.

Technica Mining is an underground mining contractor who specializes in all aspects of mining including, construction, development, production, shaft, electrical, industrial mechanical work and more. Technica is committed to the welfare of all stakeholders and believes everyone has the right to a healthy and safe work environment. The health and safety of employees, clients and the community are the organization's most important tasks and must always be the main consideration in every action we take. Our culture embraces "safety as a way of being" and every employee at Technica Mining has a part in ensuring health, safe and enjoyable workplace.

We are recruiting for various positions within the organization:

- Engineering (Mining, Civil and Mechanical)
- Pre-Apprentice Trades (Mechanical, Millwrights and Welding)
- Shop Labourers
- Underground Mine Labourers
- Field Administrative Support (Workplace Safety & Prevention and Business Administration)

We're looking for:

- Students enrolled in full-time post-secondary education
- Individuals with strong core values (Respect, Integrity, Courage, Honesty, Humility)
- Highly motivated self-starters
- Previous education or employment experience is considered an asset
- Willingness to work flexible schedules including mornings, evenings and/or weekends
- Available for employment from May 8, 2023 to September 1, 2023

We thank all applicants for their interest but only those considered for an interview will be contacted.
